MEMORANDUM FOR CHIEF, LEGISLATION DIVISION,
OFFICE OF LEGISLATIVE LIAISON/CIA

STAT

SUBJECT: Intelligence Community Legislative Program for
the Second Session of the 99th Congress

1. Per your request for comments on subject program by
COB 6 November, I am providing the following:

(i) Re 99/2-10: Department of the Army (DA) is of
the opinion that the applicability of this provision extends
beyond CIA and NSA. DA recommends that the provisions of
any such proposal should extend to DOD Intelligence Community
entities and, indeed, perhaps to all entities within the
Intelligence Community.

(ii) Re 99/2-13: DA is of the opinion that the relief
requested in this proposal should not be limited to the FBI,
but, at a minimum, should also include DOD files.

(iii) Re 99/2-16: DA believes that the provisions of
this proposal should also authorize DOD counterintelligence
elements access to financial records for foreign counter-
intelligence purposes.

(iv) Re 99/2-19: Such provisions should also apply
to the expenditure of funds for foreign individuals who
have counterintelligence responsibilities to consult with
DOD, as well as FBI, representatives.

(v) Re 99/2-21: The term "Commander" in the title
of this proposal should be changed to "Commodore."

I would be glad to discuss any of the suggestions made
above with you whenever it is convenient.

2. In addition to the proposals already put forth by DA, I would like to recommend the addition of the following new proposal:

Exceptional HUMINT Award Program

At DOD's request, the Director of Central Intelligence may include in the proposed Fiscal Year 1987 Intelligence Authorization Act legislation that would grant an exception to Section 1124 of Title 10, U.S. Code. The exception would permit DOD military personnel involved in intelligence collection to receive monetary awards under the Director of Central Intelligence Exceptional HUMINT Collector Award Program.

3. I sincerely appreciate the opportunity to comment on the FY 1987 Intelligence Community Legislative Program and look forward to working with all in your division throughout the legislative process.
